CARRIER OBJECTIVE

To be a part of an efficient team and face challenges in my work, am ready to perform well with the help of my skills and educational background.

EDUCATION

HIGHER SECONDARY SCHOOL

Gov.boys.higer secondary school

percentage-67%

2020 - 2021

SRI RAMAKRISHNA POLYTECHNIC COLLEGE

Deploma mechanical engineering

percentage-77%

2021 - 2023

PROJECTS

AUTOMOBILE LAMBORGHINI

Website building with

HTML , CSS , BOOTSTRAP , JAVASCRIPT

Like we mentioned earlier, HTML creates and structures the website's content, CSS adds style and formatting to these structures, and then JavaScript turns those stylized components into something that a user can interact with.

E-COMMERCE WEBSITES

E-commerce website build with react.js

Built a e-commerce website using React JS with HTML, CSS, Bootstrap. Created reusable React component, and functional components to maintain a clear and efficient code structure

CERTIFICATION COURSE

FULL STACK Developer IN

Hejex technology, Chennai ,pallavaram
